# HOME BUSINESS

RLI's Home Business Policy provides affordable coverage for those people who operate small home-based businesses. Insureds often believe their existing homeowners or apartment-dwellers policy will cover any loss or damage to their business equipment, furniture and supplies in the event of fire, theft or other catastrophe, when in fact, those policies usually explicitly exclude coverage for any business exposures on their premises.

The RLI Home Business Policy is specifically targeted for over 100 retail and services risks operated from the insured's residence and presenting minimal product liability, professional liability and/or off-premises exposures.

## Popular Business Classes Include:

- Residential Inspection Services
- Teacher/Tutors
- Photographers
- Accounting Services
- Bakers
- Computer Consultants
- Interior Decorating
- Jewelry (Costume)
- Art Gallery / Art Studio
- Crafts

# PERSONAL UMBRELLA

Life can change in an instant. The stand-alone RLI Personal Umbrella Liability policy helps protect an insured against financial ruin (losing their home, future earnings, and other assets) if they are sued, even paying for defense costs. It provides an affordable extra layer of personal liability protection above an insured's underlying policies, such as their homeowners/renters, auto, and watercraft policies. Because it's a stand-alone policy, underlying policies can be with another carrier or even multiple carriers.

## **RLI Umbrella Policy Features include:**

- Limits up to \$5 million available (\$1M in NM)
- Excess UM/UIM available in all states.
- The insured can keep their current homeowner/auto insurer
  - New drivers accepted and no age limit on older drivers
- Up to one DWI/DUI per household allowed
- Auto limits as low as 100/300/50 in certain cases
- Competitive, low premiums for increased limits of liability
- Broad underwriting guidelines and a self-underwriting app makes quoting and submitting business quick and easy.
- E-signature and credit card payment options
- Immediate coverage available in all 50 states plus D.C.
